Advertisement for the position of Project Associate - Two posts

Brief: The Institute for Stem Cell Science and Regenerative Medicine (inStem) (www.instem.res.in) is an Autonomous Institution of the Department of Biotechnology (DBT), Government of India. inStem shares a campus with the National Centre for Biological Sciences (NCBS) and the Centre for Cellular and Molecular Platforms (c-CAMP), which together constitute the Bangalore Life Science Cluster. The Stem Cell Core develops infrastructure and expertise for conducting cutting-edge stem cell research.

Project Associate – Flagship Program- Two Posts

The selected candidate will work full time in the core and should have basic skills in tissue culture (preferably stem cells) and molecular biology techniques.

Period of Appointment: The initial appointment is for one year, renewable annually for a maximum of three years depending on performance review.

Qualification & Experience: Masters in Biological Sciences with experience in animal tissue culture laboratory management. Applicants with stem cell research and genetic engineering experience are encouraged to apply.

Job Responsibilities:

- Assist the Head of the Stem Cell Facility in the management and maintenance of the Facility, to keep the performance of the unit at the highest possible level.
- Assist the head of the facility in providing orientation and training of new users for proper use of SCF, implement the SOPs and assist on-going research work
- Oversee the routine SCF stocking and general upkeep of the SCF.
- Maintain a clean and safe work environment.
- Complete record logs, data curation and other administrative duties as requested.
- Assist the SCF head with duties and assignments to develop capabilities of the stem cell core.

Salary: Commensurate with experience and as per government norms

Last date of receipt of application: 07th May 2021

Candidates will submit a current **CV/resume (current contact details like mobile nos and e-mail address)** with an accompanying cover letter describing your background and the reason and interest for applying to this position. Applications without a cover letter will NOT be considered. Application should be submitted through online mode only.

How to apply: Interested Candidates may visit the inStem website -Careers-Open position on link <https://www.instem.res.in/jobportal/open-position> and apply through this portal.

Shortlisted applicants will be informed through email and interviewed via electronic mode. Out of station applicants are encouraged to apply, however, accommodation is not be provided. Appointment will be contingent on medical certification by the campus medical centre.

No selection will be made if suitable candidates are not identified.
