

विज्ञापन संख्या/Advertisement No. inStem/Temp/70/2025

The Institute for Stem Cell Science & Regenerative Medicine (www.instem.res.in), Bangalore is an autonomous institute under the Department of Biotechnology, Ministry of Science & Technology, Government of India. BRIC-inStem's mandate is to establish collaborative research programs in the field of stem cell biology, regeneration, and repair in development and disease, with an emphasis on translation. To develop strengths in focused areas, research at BRIC-inStem is driven through collaborative interdisciplinary teams, addressing questions that are beyond the scope of a single laboratory.

BRIC-inStem invites applications (online) from eligible candidates for contractual position in the laboratory of Dr. Tina Mukherjee. We are looking for dedicated professionals who are result-oriented, can assimilate, analyze and communicate data effectively and are excellent team players capable of working in a fast-paced, multi-disciplinary environment.

Post Code, Post Name	No. of Post & Age limit	Qualification & Experience	Job Description
Senior Research Fellow (SRF) Rs. 42,000/m + HRA	One (01) Upper age limit 35 years	<p>Essential Qualification</p> <ul style="list-style-type: none"> -Candidates must have M.Sc. in Biochemistry, clinical Biochemistry, biotechnology/Life Sciences from a recognized university. -Candidate must have three or more years of research experience in a Scientific organization. -Candidates must have qualified national level exam-NET-JRF. -Candidates must have experience in using Drosophila as a model system specifically expertise in Drosophila haematopoiesis and wasp culturing. -Candidates must have experience in Bulk RNA sequencing analysis. - Candidates must have experience in executing insitu protocols such as FISH, with experience in molecular biology approaches. -Candidate must have experience in targeted isotope labelling mass spectrometry. -Candidate must have confocal experience in confocal microscopy and FACS. 	<p>The candidate is required to work on the project "Metabolic regulation of hematopoiesis in Drosophila larvae".</p> <p>Candidates is expected to have substantial experience in handling Drosophila Genetics.</p> <p>Preference will be given to those with hands-on experience in confocal microscopy, flow cytometry (FACS), and liquid chromatography-mass spectrometry (LC-MS).</p> <p>To carry out day-to-day lab research activities in the lab. Self-driven candidates interested in developmental biology and with experience in confocal microscopy, FACS, SABER FISH and LCMS will be preferred.</p>

Tenure: Contractual appointment for 11 Eleven months, renewable based on requirement and review of progress and requirement of the Grant.

Mode of Applications: Only online applications will be accepted. Applications received through any other mode shall stand rejected automatically.

How to apply: Interested candidates may log into the BRIC-inStem website – Careers – Open positions (<https://www.instem.res.in/jobportal/>)

Applicants should submit the following information as a single PDF file:

1. 2-page Curriculum vitae with current address, phone (mobile) number and e-mail address.
2. 1-page Motivation letter explaining past research experiences, career goals, and motivation to join our laboratory and research programs. Please include the advertisement number in the letter and upload the same as one document with a CV.
3. Contact information of at least two referees.

Application Fee: Nil

Last date for receipt of applications: 29.11.2025

General Conditions:

1. Incomplete applications shall be summarily rejected and no correspondence in this regard shall be entertained.
2. Candidates must ensure that he/she fulfils the eligibility criteria as stipulated in the advertisement.
3. All eligibility conditions will be determined with reference to the crucial date of eligibility i.e., the closing date of receipt of applications.
4. Candidates are advised to keep a printout of the application form.
5. The engagement shall be purely on a contract basis period of engagement shall be purely dependent on the requirement of the Institute.
6. This is purely a temporary appointment, and selection does not entitle a candidate to any claim whatsoever of permanency or regularization against any regular post or any vacancy arising in the future in this or any other cadre/post on the basis of this service.
7. The Institute can fix the consolidated salary lower/ higher in the given range
8. No claim for any service benefits like PF, Pension, Gratuity, Medical Allowance, Seniority and promotion, etc. is applicable to this post.
9. The incumbent will be required to conform to the rules and regulations of iBRIC-inStem in force from time to time and follow the discipline rules of the institute failing which the contract may be withdrawn at any point in time.
10. Women candidates fulfilling the eligibility conditions are encouraged to apply.

Further updates/ information related to this recruitment exercise shall only be made available on the Institute's website.
