विज्ञापन संख्या/Advertisement No. inStem/Temp/BMGF/01/2026

Institute of Stem Cell Science and Regenerative Medicine (BRIC-inStem), Bengaluru, is one of India's premier research institutes under the Department of Biotechnology, research at inStem focuses on bridging clinical and laboratory research with experts in stem cell biology, developmental biology, computational biology, structural biology, biophysics, and so on. In addition, inStem has state-of-the-art core research facilities within a stimulating and collegial research environment.

BRIC-inStem invites applications for a temporary position of Project Scientist-1, sanctioned for the project funded by the Gates Foundation, at the Institute for Stem Cell Science and Regenerative Medicine, Bengaluru - 560 065.

| Sl. No | Position and Eligibility | Max. Age Limit | No. of positions |
|--------|--|----------------|------------------|
| 1. | Project Scientist-1 (PS-1) (Remuneration Rs.56,000 plus 27% HRA) | | |
| | <u>Essential Qualification:</u> PhD Degree in Life Sciences from a recognised university or equivalent. Candidates should have demonstrated experience in the following: <ul style="list-style-type: none"> • Research requiring cell biology techniques including culturing routine cell lines, maintenance of stocks and transfection. • Cell viability, toxicity and immunostaining with antibodies. • Protein extraction, Biochemical and biophysical methods to characterize the isolated proteins with desirable properties. • Plan experiments, order reagents, and adhere to protocols. • Routine molecular biology work such as cloning, nucleic acid isolation, and sanger sequencing. • Regular data analyses, project updates literature surveys and presentations on the target. • Participate in project team meetings and contribute to the projects intellectually. | 40 years | 1 |

Tenure: Contractual appointment for six months, renewable based on the requirement and review of progress and the requirement of the Grant.

Mode of Applications: Only online applications will be accepted. Applications received through any other mode shall stand rejected automatically.

How to apply: Interested candidates may log into the BRIC-inStem website – Careers – Open positions (<https://www.instem.res.in/jobportal/>)

Applicants should submit the following information as a single PDF file:

1. A two-page curriculum vitae with current address, phone (mobile) number and e-mail address.
2. A one-page motivation letter explaining past research experiences, career goals, and motivation to join our laboratory and research programs. Please include the advertisement number in the letter and upload the same as one document with a CV.
3. Contact information of at least two referees (will be contacted only if needed)

Application Fee: Nil

Last date for receipt of applications: 08.06.2026

General Conditions:

1. Incomplete applications shall be summarily rejected, and no correspondence in this regard shall be entertained.
2. All eligibility conditions will be determined based on the crucial eligibility date, which is the closing date for applications.
3. This is purely a temporary appointment, and selection does not entitle a candidate to any claim whatsoever of permanency or regularization against any regular post or any vacancy arising in the future in this or any other cadre/post on the basis of this service.
4. No claim for any service benefits like PF, Pension, Gratuity, Medical Allowance, Seniority and promotion, etc. is applicable to this post.
5. Women candidates fulfilling the eligibility conditions are encouraged to apply.

Further updates/ information related to this recruitment exercise shall only be made available on the Institute's website.
