

INSTITUTE FOR STEM CELL SCIENCE AND REGENERATIVE MEDICINE
(an Autonomous Institute of the Department of Biotechnology, Govt. of India)
GKVK Campus, Bellary Road, Bangalore-560065

Advertisement No. inStem/Temp/12/2021

The Institute for Stem Cell Science & Regenerative Medicine (inStem) (<https://www.instem.res.in>) is an autonomous institute of the Department of Biotechnology, engaged in cutting edge research in the area of life sciences, with emphasis on stem cell biology and a mandate spanning the spectrum of discovery-based endeavor to research with translational emphasis. inStem's laboratories comprise faculty/team leads, students and early career researchers. inStem's science outreach and communication efforts focus primarily on engagements with schools and colleges through webinars, open days and school or college visits, national science exhibitions and programmes that facilitate interactions with the lay public.

About the Post: inStem is seeking a dynamic individual as its communication officer to lead its communication and outreach activities. These include web content and news; content and management of social media platforms and responsibility for the Annual Scientific Report. The communication officer will work with Institute Leadership and faculty ensuring that activities of the communications office are aligned with inStem's mandate. This office will complement and integrate with the communications activities of the Bangalore Life Science Cluster (BLiSC).

Eligibility Criteria:

Essential Qualifications:

Relevant work experience supported by documentation and testimonials. Undergraduate or postgraduate training in any area of Life Sciences. Excellent written communication skills in English in science writing/ journalism in biomedical research. Proficiency in rewriting copy/editorial review to ensure quality and accuracy of written communications.

Desirable:

Degree in communications, journalism or public relations. Ability to distill complex biological ideas to the lay public/non-scientist. General interest in biomedical research.

Salary:

Commensurate with experience. This is a contractual appointment for one year, renewable based on review of progress.

Selection Process: Candidates will be required to submit material for review if shortlisted for a personal interview.

Mode of Applications: Only online applications will be accepted. Applications received through any other mode shall stand rejected automatically.

Application Fee: Nil

No. of posts – One (1)

The Last date for receipt of ONLINE applications: 06th December 2021

How to Apply:

To apply for the position, interested candidates may log into inStem website – Careers—Open positions (<https://www.instem.res.in/jobportal/>)

General Conditions:

1. Incomplete applications shall be summarily rejected and no correspondence in this regard shall be entertained.
2. Candidates must ensure that he/she fulfils the eligibility criteria as stipulated in the advertisement.
3. All eligibility conditions will be determined with reference to the crucial date of eligibility i.e., the closing date of receipt of applications.
4. Candidates are advised to keep a printout of the application form.
5. Any amendment related to this recruitment shall be made available only on the Institute's website.

Further updates/information related to this recruitment exercise shall only be made available on the Institute's website.
